Residential Tenancy Branch
Office of Housing and Construction Standards
Ministry of Housing and Social Development

Decision

Following two previous adjournments from hearing by way of conference call, this matter was set for in-person hearing to commence at 8:30 am. Two agents for the landlord were present at 8:30 am, but as at 9:00 am, the tenant / applicant had still not appeared. I therefore dismiss the application without leave to reapply.
