

DECISION

Dispute Codes: O

This hearing dealt with an application by the tenant who complained about the food provided under the Senior Support Program. Both parties agreed that the Senior Support Program does not form part of the tenancy agreement and that the tenant is currently not a subscriber of this program.

Based on the above, I find that the tenant's complaint does not pertain to any of the terms of the tenancy agreement. Accordingly, I dismiss the tenant's application for lack of jurisdiction.
