

REVIEW HEARING DECISION

Dispute Codes: OPR and MNR

Introduction

This Review Hearing was granted on tenant's application to contest a Decision and Orders issued following a Direct Request proceeding on November 3, 2010. In the November 16, 2010 decision which granted the review hearing, the Dispute Resolution Officer found sufficient question in the original evidence to find that the dispute should be revisited in a participatory hearing.

The review hearing convened at 9 a.m. as scheduled and was held open for 10 minutes. However, neither party called in to the number provided to enable their participation in the telephone conference call.

Therefore, the application is dismissed with leave to reapply and the Orders and Decision of November 3, 2010 remain suspended.
