

REVIEW HEARING DECISION

Dispute Codes: OPR and MNR

Introduction

This hearing was scheduled after the tenant had, on application of May 25, 2011, been granted a Review Hearing following my Decision and Orders of May 19, 2011 resulting from a Direct Request Proceeding.

At the commencement of the hearing, the tenant advised that she wished to withdraw her application as the matters in dispute had been resolved with the landlord. The hearing began at 1:30 p.m. and was held open for 10 minutes in the event the landlord wished to participate.

As the landlord did appear, the application has been closed as “withdrawn” as directed by the applicant tenant.

June 24, 2011.
