DECISION

Dispute Codes:

CNC and CNR

Introduction

This hearing was scheduled in response to the Tenants' Application for Dispute Resolution, in which the Tenant applied to set aside a Notice to End Tenancy for Cause and to set aside a Notice to End Tenancy for Unpaid Rent.

Issue(s) to be Decided

The issues to be decided are whether either of the Notices to End Tenancy should be set aside, pursuant to sections 47(4) and 46(4) of the *Residential Tenancy Act (Act)*.

Background and Evidence

There was no testimony provided as there was no one in attendance at the scheduled hearing.

Analysis

Section 61 of the *Residential Tenancy Act* states that upon accepting an application for dispute resolution, the director must set the matter down for a hearing and that the director must determine if the hearing is to be oral or in writing. In this case, the hearing was scheduled for an oral teleconference hearing.

Rule 10.1 of the Rules of Procedure stipulates that the hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

This hearing commenced at the scheduled start time of 11:00 a.m. on July 24, 2012 and the teleconference was monitored until 11:11 on that date. Neither the Applicant nor the Respondent dialed into the teleconference during this time.

I find that the Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the Application with leave to reapply, as I have not made any findings of fact or law with respect to the application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.

Dated: July 25, 2012.
