

DECISION

Dispute Codes MT DRI RP PSF AAT

Introduction and Analysis

This telephone conference call hearing was convened as the result of the tenant's application for dispute resolution under the *Residential Tenancy Act* (the "Act") for more time to make an application to cancel a notice to end tenancy, to dispute an additional rent increase, for an order directing the landlord to make repairs for health or safety reasons, to provide services or facilities required by law and to allow access to (or from) the unit or site for the tenant or the tenant's guests.

The hearing began at 11:00 a.m. as scheduled and the telephone system remained open and was monitored for 10 minutes. During this time, neither the applicant tenant nor the respondent landlord dialed into the telephone conference call hearing.

Conclusion

In the absence of the tenant to present their claim, **I dismiss** the tenant's application, **with leave to reapply**.

I make no findings on the merits of the application. Leave to reapply is not an extension of any applicable limitation period.

This decision is final and binding on the parties, unless otherwise provided under the Act, and is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
