## DECISION

Dispute Codes      OLC RPP

### Introduction

This hearing dealt with an Application for Dispute Resolution filed December 11, 2012 by the Tenant to obtain an Order to have the Landlord comply with the Act and return his personal possessions.

No One was in attendance at the scheduled teleconference hearing.

### Issue(s) to be Decided

Should this application be dismissed with or without leave to reapply?

### Background and Evidence

There was no additional evidence or testimony provided as there was no one in attendance at the scheduled hearing.

### Analysis

Section 61 of the *Residential Tenancy Act* states that upon accepting an application for dispute resolution, the director must set the matter down for a hearing and that the Director must determine if the hearing is to be oral or in writing. In this case, the hearing was scheduled for an oral teleconference hearing.

Rule 10.1 of the Rules of Procedure provides as follows:

**10.1 Commencement of the hearing** The hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

In the absence of the applicant Tenant and respondent Landlord, the telephone line remained open while the phone system was monitored for ten minutes and no one on

behalf of either party called into the hearing during this time. The Tenant has not presented the merits of their claim therefore; I dismiss the application, without leave to reapply.

Conclusion

**I HEREBY DISMISS** the Tenant's application, without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
