## **INTERIM DECISION**

Dispute Codes      MNDC, FF

This hearing was convened in response to an application by the tenants for a monetary order. The hearing was held via conference call on this date. At the hearing, there arose a dispute over whether a document submitted by the tenant had been forged.

The landlord indicated that she wished to scrutinize the original document and in order to provide all parties to examine the originals of the evidence submitted, I ordered that the hearing be adjourned and reconvened as a face to face hearing. Notices of hearing are enclosed with this decision.

I order the tenant to bring to the reconvened hearing the original of the notice to end tenancy dated September 29, 2012.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.

Dated: April 18, 2013
