RECORD OF SETTLEMENT

Dispute Codes DRI, MNDC, RPP, LRE

Section 63 of the *Residential Tenancy Act* provides that the parties may attempt to settle their dispute during a hearing. Pursuant to this provision, discussion between the parties during the hearing led to a resolution. Specifically, it was agreed as follows;

1. Both parties agree that tenancy will end at 5:00 p.m. on Friday May 10, 2013.
2. Both parties agree that the landlord will retain the full security deposit.
3. Both parties agree that any rent payments up until today's date belong to the landlord.

Pursuant to this agreement the landlord will be given an order of possession to reflect condition #1 of this agreement. Should it be necessary, this order may be filed in the Supreme Court and enforced as an order of that Court.

The above particulars comprise full and final settlement of all aspects of the dispute arising from both applications from the parties.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
