Introduction

This matter was set for hearing by telephone conference call at 9:00 a.m. in response to an application made by the tenant: to allow more time to cancel a notice to end tenancy; to cancel a notice to end tenancy for unpaid rent or utilities; for the landlord to comply with the Act, regulation or tenancy agreement; to suspend or set conditions on the landlord's right to enter the unit; to obtain an Order of Possession for the unit; to allow the tenant access to the site; and authorize the tenant to change locks to the rental unit.

The line remained open while the phone system was monitored for ten minutes and no participant called into the hearing during this time.

Analysis & Conclusion

As neither party called into the conference call by 9:10 a.m., I dismiss this application with leave to reapply. However, this does not extend any applicable time limits under the *Act*.

I have made no findings of fact or law with respect to the merits of this application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
