DECISION

Dispute Codes CNC

Introduction

This hearing dealt with an Application for Dispute Resolution by the tenant to cancel a one month notice to end tenancy for cause that was received on June 28, 2013.

At the outset of the hearing, the tenant stated that he is moving from the rental unit and no longer disputes the notice to end tenancy. Therefore, I dismiss the tenant's application.

The landlord requested an order of possession.

As the tenant's application is dismissed and the landlord requested an order of possession at the hearing, pursuant to section 55 of the Act, I must grant this request.

Section 55(1) of the Act states:

Order of possession for the landlord

55 (1) If a tenant makes an application for dispute resolution to dispute a landlord's notice to end a tenancy, the director must grant an order of possession of the rental unit to the landlord if, at the time scheduled for the hearing,

- (a) the landlord makes an oral request for an order of possession, and
- (b) the director dismisses the tenant's application or upholds the landlord's notice.

As I have dismissed the tenant's application, I find that the landlord is entitled to an order of possession effective **two days** after service on the tenant.

This order must be served on the tenant and may be filed in the Supreme Court.

Conclusion

The tenant's application is dismissed.

The landlord is granted an order of possession.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
