Office of Housing and Construction Standards

A matter regarding Real Flow Investments Inc.  
and [tenant name suppressed to protect privacy]

## **INTERIM DECISION**

Dispute Codes      MNDC, FF

This hearing was convened to address a claim by the tenant for a monetary order. At the hearing, the tenant advised that she had been unable to serve the respondents with the application for dispute resolution and notice of hearing and requested that the matter be adjourned.

I find that an adjournment will pose no prejudice to the respondents and I order that the hearing be reconvened at a later date. **The tenant is directed to serve the respondents with her amended application for dispute resolution and the notice of hearing which is enclosed with this decision within 3 days of receiving the decision.** The parties should exchange evidence as soon as possible in order to permit the other party to respond and no later than 5 days before the date on which this matter will be reconvened.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
