Decision

Dispute Codes:

CNR

Introduction

This hearing dealt with an Application for Dispute Resolution by the tenant to cancel a Ten-Day Notice to End Tenancy for Unpaid Rent or Utilities dated November 5, 2013.

The applicant tenant did not appear, but the respondent landlord was present.

As the applicant tenant did not appear, I find that the tenant's application requesting an order to cancel the Ten-Day Notice must be dismissed.

At the hearing the landlord made a request for an order of possession. Under the provisions of section 55(1) of the Act, upon the request of a landlord, I must issue an order of possession when I have upheld a notice to end tenancy.

Accordingly, I hereby issue an Order of Possession in favour of the landlord effective two days after service to the tenant. The tenant must be served with the order of possession. Should the tenant fail to comply with the order, the order may be filed in the Supreme Court of British Columbia and enforced as an order of that Court.

The tenant's application is dismissed without leave to reapply.

Conclusion

The tenant's application is dismissed without leave and the landlord is granted an Order of Possession as requested.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
