DECISION

Dispute codes: DRI, OLC, FF

The tenant filed a claim, disputing a rent increase given by the landlord, and requesting an order that the landlord comply with the Act, regulation or tenancy agreement.

Both parties attended the conference call hearing. The tenant advised that she intended to vacate the premises, and was no longer advancing her claim. Both parties agreed that the claim should be dismissed.

Accordingly, I have dismissed the application, with no liberty to reapply being granted.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
