## **DIRECT REQUEST DECISION**

Dispute Codes OPR, MNR

### Introduction

This hearing proceeded by way of Direct Request Proceeding, pursuant to section 55(4) of the Act, and dealt with an Application for Dispute Resolution by the landlord for an Order of Possession and a monetary order.

Evidence shows the landlord filed for the Direct Request Proceeding on May 27, 2014 and submitted a signed Proof of Service of the Notice declaring that the landlord served the tenant with the documents by registered mail on May 27, 2014 at 3:00 p.m.

The landlord included a Canada Post receipt and registered mail tracking slip. I find that no name of the party served nor address is shown on the tracking receipt.

Section 89(1) of the Act imposes specific requirements for where and how the applicant must serve a respondent with a Notice of Hearing. For that reason the address must be verified and documentation relied upon must be complete in order to establish service to the specific person and address identified. I find that the landlord has not met the requisite burden of proof regarding the service of this application.

Having found that the landlord has failed to meet the proof of service requirement by showing the full name and the complete address where the mail had been sent, I have determined that this application must be dismissed with leave to reapply

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
