A matter regarding Sunden Management Ltd
and [tenant name suppressed to protect privacy]

DECISION

Dispute Codes OPR, MNR

Introduction

This matter was conducted by way of Direct Request Proceeding, pursuant to Section 55(4) of the *Residential Tenancy Act (Act)*, and dealt with an Application for Dispute Resolution by the landlord for an order of possession and a monetary order due to unpaid rent. A participatory hearing was not convened.

The landlord submitted a signed Proof of Service of the Notice of Direct Request Proceeding which declares that on July 2, 2014 at 12:30 p.m. the landlord served each tenant with the Notice of Direct Request Proceeding personally and by registered mail. Section 90 of the *Act* states a document sent by mail is deemed served on the 5th day after it is mailed. Based on the written submissions of the landlord, I find that each tenant has been sufficiently served with the Dispute Resolution Direct Request Proceeding documents pursuant to the *Act*.

However, I also note that the tenancy agreement submitted names only one of the persons named (E.L.) as tenant in the Application for Dispute Resolution. As such, I amend the Application to exclude the other party named (A.B.) who is not listed as a tenant in the tenancy agreement.

Issue(s) to be Decided

The issues to be decided are whether the landlord is entitled to an order of possession for unpaid rent and to a monetary order for unpaid rent, pursuant to Sections 46, 55, 67, and 72 of the *Act*.

Background and Evidence

The landlord submitted the following documentary evidence:

- A copy of a residential tenancy agreement which was signed by the parties on June 11, 2013 for a 1 year fixed term tenancy beginning on July 1, 2013 for the monthly rent of \$2,200.00 due on the 1st of each month and a security deposit of \$1,100.00 was paid; and

- A copy of a 10 Day Notice to End Tenancy for Unpaid Rent that was issued on June 9, 2014 with an effective vacancy date of June 19, 2014 due to \$2,200.00 in unpaid rent.

Documentary evidence filed by the landlord indicates the tenant failed to pay the full rent owed for the month of June 2014 and that the tenant was served the 10 Day Notice to End Tenancy for Unpaid Rent personally on June 9, 2014 at 10:00 a.m. and that this service was witnessed by a third party. The Notice states the tenant had five days to pay the rent or apply for Dispute Resolution or the tenancy would end. The tenant did not pay the rent in full or apply to dispute the Notice to End Tenancy within five days.

Analysis

I have reviewed all documentary evidence and accept that the tenant has been served with notice to end tenancy as declared by the landlord. The notice is deemed to have been received by the tenant on June 9, 2014 and the effective date of the notice was June 19, 2014. I accept the evidence before me that the tenant failed to pay the rent owed in full within the 5 days granted under Section 46(4) of the *Act*. Based on the foregoing, I find the tenant is conclusively presumed under Section 46(5) of the *Act* to have accepted that the tenancy ended on the effective date of the Notice.

Conclusion

I find the landlord is entitled to an order of possession effective **two days after service on the tenant**. This order must be served on the tenant. If the tenant fails to comply with this order the landlord may file the order with the Supreme Court of British Columbia and be enforced as an order of that Court.

I find the landlord is entitled to monetary compensation pursuant to Section 67 and I grant a monetary order in the amount of **\$2,200.00** comprised of rent owed. This order must be served on the tenant. If the tenant fails to comply with this order the landlord may file the order in the Provincial Court (Small Claims) and be enforced as an order of that Court.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
