A matter regarding NPR LIMITED PARTNERSHIP
and [tenant name suppressed to protect privacy]

DECISION

Dispute Codes OPR, MNR

Introduction

This matter proceeded by way of Direct Request Proceeding, pursuant to section 55(4) of the *Residential Tenancy Act* (the "Act"), and dealt with an Application for Dispute Resolution by the landlord for an Order of Possession and a monetary order for unpaid rent.

The landlord submitted a signed Proof of Service of the Notice of Direct Request Proceeding which declares that on June 16, 2014, the landlord served the tenants with the Notice of Direct Request Proceeding via posting on the door.

Section 90 of the Act determines that a document served in this manner is deemed to have been served three days later.

Based on the written submissions of the landlord, I find that the tenants have been duly served with the Direct Request Proceeding documents.

Preliminary issue

The landlord writes in their application that they seek a monetary order for unpaid rent. In this case, the Notice of Direct Request proceeding was by posted on the tenants' door. Under the Direct Request process when the direct request proceeding package is posted on a tenant's door, a monetary order may not be issued through this process. As a result, the landlord's application for a monetary order is dismissed with leave to reapply

Issue to be Decided

The issues to be decided are whether the landlord are entitled to an Order of Possession for unpaid rent and to a monetary Order for unpaid rent, pursuant to sections 46, and 55 of the Act.

Background and Evidence

The landlords submitted the following evidentiary material:

- A copy of the Proof of Service of the Notice of Direct Proceeding for the tenants;
- A copy of a residential tenancy agreement which was signed by the parties on January 30, 2014, indicating a monthly rent of \$735.00 due on the first day of the month; and
- A copy of a 10 Day Notice to End Tenancy for Unpaid Rent which was issued on June 2, 2014, with a stated effective vacancy date of June 12, 2014, for \$2,080.00 in unpaid rent.

Documentary evidence filed by the landlord indicates that the tenants had failed to pay all rent owed and were served the 10 Day Notice to End Tenancy for Unpaid Rent by posting on the door on June 2, 2014, which was witnessed. Section 90 of the Act deems the tenants were served on June 5, 2014.

The Notice states that the tenants had five days from the date of service to pay the rent in full or apply for Dispute Resolution or the tenancy would end. The tenants did not apply to dispute the Notice to End Tenancy within five days from the date of service.

Analysis

I have reviewed all documentary evidence and accept that the tenants have been served with notice to end tenancy as declared by the landlords.

I accept the evidence before me that the tenants have failed to pay all the rent owed in full within the 5 days granted under section 46 (4) of the *Act*.

Based on the foregoing, I find that the tenants are conclusively presumed under section 46(5) of the Act to have accepted that the tenancy ended on the effective date of the Notice. Therefore, I find that the landlords are entitled to an Order of possession.

Conclusion

I find that the landlord is entitled to an Order of Possession effective **two days after service** on the tenants and the Order may be filed in the Supreme Court and enforced as an Order of that Court.

The landlord's application for a monetary order is dismissed with leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
