A matter regarding Red Door Housing Society  
and [tenant name suppressed to protect privacy]

## **DECISION**

Dispute Codes      CNQ

This is an application filed by the tenant to obtain an order cancelling the notice to end tenancy issued because the tenant does not qualify for subsidized rental unit.

Both parties attended the hearing by conference call and gave undisputed testimony. The tenant's daughter attended to help speak for and translate for her mother.

Section 63 of the Residential Tenancy Act provides that the parties may attempt to settle their dispute during a hearing. Pursuant to this provision, discussion between the two parties during the hearing led to a resolution. Specifically, it was agreed as follows:

Both parties agreed to mutually end the tenancy on February 28, 2015 and that the landlord shall receive an order of possession to reflect this agreement.

The above particulars comprise full and final settlement of all aspects of the dispute arising from this application for both parties.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
