CORRECTED DECISION

Inadvertent omission

In my decision, issued May 8, 2014, I found that the landlords must pay \$200.00 to the tenant, however although I did instruct the tenant that he could deduct the amount from future rent payable to the landlord I inadvertently failed to issue a formal order.

Conclusion

I have therefore issued a formal order for the landlords to pay \$200.00 to the tenant.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
