### Introduction

The tenant applies to cancel a two month Notice to End Tenancy dated September 1, 2014 and for and order that the landlord comply with the law and tenancy agreement and for an order restricting the landlord's right of entry.

The tenant is moving out. She stated she made her application as a precautionary measure in case she could not find a new place by the November 1, 2014 effective date in the Notice. She no longer seeks or requires the other relief claimed.

The tenant's application is dismissed.
