DECISION

Dispute Codes OCB, MNR, MNSD, MND, FF

The landlord has filed an Application for Dispute Resolution pursuant to the Residential Tenancy Act, S.B.C. 2002, c. 78, and I was designated to conduct a hearing with respect to this application. The hearing was scheduled to be heard by telephone conference, with specific details and instructions about the time and date, phone numbers, passcode, and other procedures, given on the "Notice of a Dispute Resolution Hearing".

The landlord failed to join the conference call hearing. The tenant attended. The tenant advised his name is actually spelled as set out above in the attendance record above, and have included this spelling as an additional name in the style of cause above.

In the absence of any submissions or testimony at the hearing from the landlord upon which to make a decision, and as the tenant was represented, I have dismissed the application, with no liberty to reapply being granted.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
