## CORRECTION DECISION

The Landlord applies for a correction to the Decision dated November 7, 2014. The Landlord indicates that there was an error in the calculation made on the doubling of the security deposit. The Landlord submits that the amount already paid to the Tenant should have been deducted first leaving the remaining amount of unreturned security deposit to be doubled. As the Decision correctly doubles the original amount of the security deposit as provided under the Act and then deducts the amounts already returned, no correction to the Decision may be made. I dismiss the application for a correction.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
