A matter regarding Community Builders  
and [tenant name suppressed to protect privacy]

## **DECISION**

Dispute Codes      CNR

This matter was scheduled for a conference call at 1:30 on this date. The tenant's advocate appeared on behalf of the tenant, no one appeared for the landlord. At the outset of the hearing the tenants advocate advised that the tenant had moved out and that they wish to abandon this application; based on the information provided by the tenants advocate I dismiss this application in its entirety.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
