## **DECISION**

Dispute Codes      MT, CNR

Pursuant to section 58 of the *Residential Tenancy Act* (the “Act”) I was designated to hear this matter. The tenants’ application sought more time to apply and to cancel the 10 Day Notice to End Tenancy For Unpaid Rent or Utilities.

Despite waiting fifteen minutes, neither party called into this hearing at the appointed time. I also confirmed that neither party had contacted the hearing number.

Rule 10.1 of the *Rules of Procedure* provides as follows:

The hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

Accordingly, in the absence of any evidence or submissions I dismiss this application with leave to reapply. I make no findings on the merits of the matter. Leave to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under subsection 9.1(1) of the Act.
