DECISION

Dispute Codes CNC, CNL

Introduction

The matter was set for a hearing at 11.00 a.m. on this date to hear the tenant's application. The hearing went ahead as scheduled the landlord/respondent dialed into the conference call. The line remained open for over 10 minutes; however, no one for the tenant/applicant dialed into the call. Based on the above I find that the tenant has failed to present the merits of their application and the application is dismissed without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
