Introduction

This Review Hearing was scheduled in response to a successful application for review filed by the tenant who sought a new hearing on the ground of *the potential of evidence*; the Director's decision was obtained by fraud.

The phone line remained open for ten minutes and was monitored throughout this time – during which neither party attended this hearing.

As a result, the original Decision and Orders rendered March 25, 2015 **are confirmed**.

This Decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under section 9.1(1) of the Residential Tenancy Act.

Dated: March 25, 2015
