DECISION

Dispute Codes CNR, RR, O, FF

This hearing was scheduled for a teleconference at 9:30 a.m. on this date. Both parties participated in the conference call. At the outset of the hearing the tenants advised that they moved out on March 1, 2015. The tenants advised that they were no longer seeking to pursue their application except for the recovery of the filing fee. As dispute resolution services were not required and that the tenants have already vacated the unit, they must bear the cost of the filing fee. No further action is required from the Branch on this application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
