DECISION

Dispute Codes MNDC MNSD RR AAT FF

Introduction

This hearing dealt with an Application for Dispute Resolution filed by the Tenants on March 31, 2015, to obtain a Monetary Order, to allow the Tenants access to the rental unit, for reduced rent, and to recover the cost of the filing fee from the Landlord for this application.

No one was in attendance at the scheduled teleconference hearing.

Issue(s) to be Decided

Should this application be dismissed with or without leave to reapply?

Background and Evidence

There was no additional evidence or testimony provided as there was no one in attendance at the scheduled hearing.

Analysis

Section 61 of the *Residential Tenancy Act* states that upon accepting an application for dispute resolution, the director must set the matter down for a hearing and that the Director must determine if the hearing is to be oral or in writing. In this case, the hearing was scheduled for an oral teleconference hearing.

Rule 10.1 of the Rules of Procedure provides as follows:

10.1 Commencement of the hearing The hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

In the absence of the applicant Tenants and respondent Landlord, the telephone line remained open while the phone system was monitored for ten minutes and no one on behalf of either party called into the hearing during this time. Based on the aforementioned I find that neither party had the opportunity to present the merits of their possession. Therefore, I dismiss the application, with leave to reapply.

Conclusion

I HEREBY DISMISS the Tenant's application, with leave to reapply.
This dismissal does not extend any timeframes set out in the *Act*.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
