INTERIM DECISION

Dispute Codes MNDC, OLC, FF, O

Introduction

This matter involves the tenant's allegation of constant disruptive noise from tenants living above her.

The hearing was adjourned to permit the landlord to investigate the possibility of moving the tenant or the tenants above her to a different location in the rental building.

The matter will come on for hearing again on **Wednesday, May 26, 2015 at 3:00 p.m.**
The telephone number and passcode will be the same as for the original hearing.

On that date the parties should be prepared to address the tenant's monetary claim, unless that aspect of the application has been settled between them.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
