DECISION

Dispute Codes FF, MNR, MND, MNSD & MNDC

Introduction

Neither party contacted the telephone bridge number at the scheduled start of the hearing. The telephone line conference line remained open and the phone system was monitored for ten minutes. Neither party appeared. I then concluded the hearing and closed the conference call.

I note there is a letter on file from the landlord indicating they were unable to serve the respondent and asking that the hearing be cancelled. It appears the Registry did not notice the contents of the letter and did not cancel the hearing.

In the absence of any evidence or submissions I order the application dismissed with liberty to reapply. I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under section 9.1(1) of the Residential Tenancy Act.
