DECISION

Dispute Codes:

OLC, ERP, RP, FF, O

Introduction

This hearing was convened in response to the Tenant's Application for Dispute Resolution, in which the Tenant has applied for an Order requiring the Landlord to comply with the *Residential Tenancy Act (Act)* or the tenancy agreement; for an Order requiring the Landlord to make repairs to the rental unit; for "other" and to recover the filing fee from the Landlord for the cost of this Application for Dispute Resolution.

Issue(s) to be Decided

Is there a need to issue an Order requiring the Landlord to make repairs to the rental unit?

Background and Evidence

Section 61 of the *Residential Tenancy Act (Act)* stipulates that upon accepting an application for dispute resolution, the director must set the matter down for a hearing and that the director must determine if the hearing is to be oral or in writing. In this case, the hearing was scheduled for a teleconference hearing.

Rule 10.1 of the Rules of Procedure stipulates that the hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

This hearing was scheduled to commence at 10:30 a.m. on July 14, 2015. I dialed into the teleconference at 10:33 a.m. and monitored the teleconference until 10:44 a.m. Neither the Applicant nor the Respondent dialed into the teleconference during this time.

Analysis

I find that the Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the Application with leave to reapply, as I have not made any findings of fact or law with respect to the application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
