A matter regarding DOUBLE QQ ENTERPRISE
and [tenant name suppressed to protect privacy]

DECISION

Dispute Codes CNC, OPC, FF

Introduction

This matter was set for hearing by telephone conference call at 11:00 a.m., in response to an Application for Dispute Resolution (the "Application") made by both the Tenant and the Landlords regarding a notice to end tenancy for cause. The line remained open while the phone system was monitored for ten minutes and no participant called into the hearing during this time.

Analysis & Conclusion

Rule 10.1 of the Dispute Resolution Proceedings Rules of Procedure states that the hearing must commence at the scheduled time unless otherwise decided by the Arbitrator. The Arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the Application, with or without leave to re-apply.

As neither party called into the conference call by 11:10 a.m., I find that both parties failed to present the merits of their Application which are both hereby **dismissed with leave to reapply**. However, this does not extend any applicable time limits under the *Residential Tenancy Act* and I have made no findings of fact or law with respect to this Application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
