DECISION

Dispute Codes OPR MNR FF

Introduction and Analysis

This telephone conference call hearing was convened as the result of the landlord's application for dispute resolution under the *Residential Tenancy Act* (the "Act") for an order of possession for unpaid rent or utilities, and for a monetary order for unpaid rent or utilities, which originally was initiated through the Direct Request process and was adjourned to a participatory hearing by an adjudicator in an interim decision dated July 17, 2015, which should be read in conjunction with this decision.

The participatory hearing began at 2:30 p.m., Pacific Time, on Wednesday, August 26, 2015, as scheduled and the telephone system remained open and was monitored for 11 minutes. During this time, neither the applicant landlord nor the respondent tenant dialed into the telephone conference call hearing.

Conclusion

In the absence of the landlord to present their claim, **I dismiss** the landlord's application, **with leave to reapply**. I make no findings on the merits of the application. Leave to reapply is not an extension of any applicable limitation period.

This decision is final and binding on the parties, unless otherwise provided under the Act, and is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
