DECISION

Dispute Codes O

Introduction

Pursuant to section 58 of the *Residential Tenancy Act* (the *Act*), I was designated to hear an application regarding the above-noted tenancy. The tenant applied for:

- other remedies, which she described in her application for dispute resolution as a failure of the landlord to provide water or hydro to the rental unit where she was residing.

Neither party attended at the appointed time set for the hearing, although I waited until 11:53 a.m. to enable them to participate in this hearing scheduled for 11:30 a.m.

Rule 10.1 of the Rules of Procedure provides as follows:

10.1 Commencement of the hearing The hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

Accordingly, **in the absence of any evidence or submissions I order the application dismissed with liberty to reapply.** I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
