DECISION

Dispute Codes MNSD OLC RPP FF

Introduction

This hearing dealt with an Application for Dispute Resolution filed by the Tenant on September 26, 2015 for a monetary order for the return of the security and/or pet deposit; for orders against the Landlords to return the Tenant's personal property and to comply with the *Act*, Regulation, and/or tenancy agreement; and to recover the cost of the filing fee.

No one was in attendance at the scheduled teleconference hearing.

Issue(s) to be Decided

Should this application be dismissed with or without leave to reapply?

Background and Evidence

There was no additional evidence or testimony provided as there was no one in attendance at the scheduled hearing.

Analysis

Section 61 of the *Residential Tenancy Act* states that upon accepting an application for dispute resolution, the director must set the matter down for a hearing and that the Director must determine if the hearing is to be oral or in writing. In this case, the hearing was scheduled for an oral teleconference hearing.

Rule 10.1 of the Rules of Procedure provides as follows:

10.1 Commencement of the hearing The hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may

conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

In the absence of the applicant Tenant and respondent Landlords, the telephone line remained open while the phone system was monitored for ten minutes and no one on behalf of either party called into the hearing during this time. Based on the aforementioned I find the Tenant failed to present the merits of their application. Accordingly, I dismissed the application, without leave to reapply.

Conclusion

The Tenant's application was dismissed, without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
