DECISION

Dispute Codes OPC, FF, O

Introduction

This matter was set for hearing by telephone conference call at 11:00 a.m., in response to an Application for Dispute Resolution (the “Application”) made by the Landlord for an Order of Possession, to recover the filing fee, and for “Other” issues. The line remained open while the phone system was monitored for ten minutes and no participant called into the hearing during this time.

Analysis & Conclusion

The Residential Tenancy Branch Rules of Procedure states that the hearing must commence at the scheduled time unless otherwise decided by the Arbitrator. The Arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the Application, with or without leave to re-apply.

As neither party called into the conference call by 11:10 a.m., I find that the Landlord failed to present the merits of the Application which is hereby **dismissed with leave to reapply**. However, this does not extend any applicable time limits under the *Residential Tenancy Act* and I have made no findings of fact or law with respect to this Application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
