DECISION

Dispute Codes mndc, o

The tenant has filed an Application for Dispute Resolution pursuant to the Residential Tenancy Act, S.B.C. 2002, c. 78, and I was designated to conduct a hearing with respect to this application. The hearing was scheduled to be heard by telephone conference, with specific details and instructions about the time and date, phone numbers, passcode, and other procedures, given on the "Notice of a Dispute Resolution Hearing".

Neither the tenant nor the landlord joined the conference call hearing. In the absence of any submissions as to whether the landlord was properly served with notice of this hearing, and in absence of any testimony at the hearing from either party upon which to base a decision, I have dismissed the application, with liberty to reapply being granted.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
