Introduction

This hearing dealt with applications by the landlord and the tenant, pursuant to the *Residential Tenancy Act*. The landlord applied for a monetary order for cleaning, replacing bulbs, replacing flooring, painting and repairing the kitchen faucet. The landlord applied to retain the security and pet deposits in satisfaction of his claim. The tenant applied for the return of the security and pet deposits and for the cost of hydro owed by tenant that was evicted by the landlord. Both parties applied for the recovery of the filing fee.

Both parties attended the hearing and were given full opportunity to present evidence and make submissions. The parties acknowledged receipt of evidence submitted by the other and gave affirmed testimony.

Issues to be decided

Are the parties entitled to their monetary claims?

Background and Evidence

The parties agreed to the following: The tenancy started in March 2015. The rent was \$1,850.00 and the tenant paid a security deposit in the amount of \$925.00 and a pet deposit of \$500.00. The tenant provided adequate notice to end the tenancy and moved out on June 06, 2016. A move out inspection was conducted on that day and a copy of the report was filed into evidence.

The claims made by both parties against each other were discussed at length. During the hearing the parties engaged in a conversation, turned their minds to compromise and achieved a resolution of their dispute.

Analysis

Pursuant to Section 63 of the *Residential Tenancy Act*, the Arbitrator may assist the parties settle their dispute and if the parties settle their dispute during the hearing, the settlement may be recorded in the form of a decision or an order. During this hearing, the parties reached an agreement to settle these matters, on the following conditions:

1. The landlord agreed to pay the tenant \$300.00 within 15 days of the receipt of this decision, in full settlement of all claims against the tenant.
2. The tenant agreed to accept \$300.00 in full settlement of all claims against the landlord. A monetary order will be issued in favour of the tenant for this amount.
3. Both parties stated that they understood and agreed that the above particulars are binding and comprise **full and final settlement** of all aspects of the dispute for both parties.

Conclusion

Pursuant to the above agreement, I grant the tenant a monetary order under section 67 of the *Residential Tenancy Act* for the amount of **\$300.00**. This order may be filed in the Small Claims Court and enforced as an order of that Court.

As this dispute was resolved by mutual agreement and not based on the merits of the case, the parties must bear the cost of filing their own applications.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
