## **DECISION**

Dispute Codes      CNL

### Introduction

A dispute resolution hearing was held on November 21, 2016 and a decision and an Order of Possession were issued on that same date.

The applicant/tenant subsequently filed for review of that decision and a review hearing was granted and scheduled for today, January 17, 2017.

At the beginning of today's conference call the applicant/tenant stated that she is no longer disputing the Notice to End Tenancy, and has, in fact, already vacated the rental unit.

The landlord also confirmed that the tenant has already vacated the rental unit.

### Conclusion

Since the tenant has stated that she is no longer disputing the Notice to End Tenancy, I hereby reinstate the original Order of Possession, which was issued on November 21, 2016.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.

Dated: January 17, 2017
