DECISION

Dispute Codes CNC, O

Introduction

This hearing convened as a result of the Tenant's Application for Dispute Resolution wherein the Tenant requested an Order cancelling a Notice to End Tenancy for Cause issued on April 6, 2017 (the "Notice").

Both parties appeared at the hearing. The hearing process was explained and the participants were asked if they had any questions. Both parties were provided the opportunity to present their evidence orally and in written and documentary form, and make submissions to me.

Preliminary Matter

On the Application for Dispute Resolution the Tenant erroneously spelled the name of the city in which the rental unit is located. Pursuant to section 64(3)(c) of the *Residential Tenancy Act* I amend the Tenant's Application to correctly spell the city.

Settlement and Conclusion

During the hearing the parties resolved matters by mutual agreement. The terms of their agreement is recorded in this my Decision and Order pursuant to section 63 of the *Residential Tenancy Act* and Rule 8.4 of the *Residential Tenancy Branch Rules of Procedure*. As the parties resolved matters by agreement I make no findings of fact or law with respect to their relative claims. The terms of their settlement follow.

1. The tenancy shall end and the Tenants shall vacate the rental unit by no later than **1:00 p.m. on July 1, 2017**.

2. The Landlord is granted an Order of Possession effective **1:00 p.m. on July 1, 2017**. The Landlord must serve the Order on the Tenants as soon as possible and may if necessary, file and enforce the Order in the B.C. Supreme Court.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
