This matter was convened in response to an application by the tenant. The tenant applied for a monetary Order and for the landlord to comply with the Act. The applicant and respondent appeared in this matter. The applicant advised at the outset of the hearing that their issues giving rise to an application have been resolved or are being resolved to their satisfaction and therefore they sought to withdraw their application.

As there is no prejudice to the landlord in this matter, this application is withdrawn and effectively cancelled.

Analysis and Conclusion
