DECISION

Dispute Codes CNR, FF

Introduction

This hearing was scheduled to convene at 9:30 a.m. this date by way of conference call concerning an application made by the tenant seeking an order cancelling a notice to end the tenancy for unpaid rent or utilities and to recover the filing fee from the landlord for the cost of the application.

The line remained open while the phone system was monitored for 15 minutes and no participants joined the call during that time. Therefore, I dismiss the tenant's application.

The *Residential Tenancy Act* states that where I dismiss a tenant's application to cancel a notice to end a tenancy given by a landlord, I must grant an Order of Possession in favour of the landlord so long as the notice given is in the approved form. I have reviewed the 10 Day Notice to End Tenancy for Unpaid Rent or Utilities provided as evidence by the tenant. It is dated September 5, 2017 and contains an effective date of vacancy of September 16, 2017 for unpaid rent in the amount of \$520.00 that was due on September 1, 2017. I find that it is in the approved form and contains information required by the *Act*. Therefore, I grant an Order of Possession in favour of the landlord. Since the effective date of vacancy has passed, I grant the Order of Possession on 2 days notice to the tenant.

Conclusion

For the reasons set out above, the tenant's application is hereby dismissed.

I hereby grant an Order of Possession in favour of the landlord on 2 days notice to the tenant.

This order is final and binding and may be enforced.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
