DECISION

Dispute Codes ET

Introduction

On October 2, 2017, the Landlord submitted an Application for Dispute Resolution for an early end of tenancy.

The matter was set for hearing by telephone conference call at 11:00 am on this date. The line remained open while the phone system was monitored for ten minutes and no participant called into the hearing during this time. Therefore, as the Applicant did not attend the hearing by 11:10 am, I dismiss the application with leave to reapply. This is not an extension of any statutory deadline.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
