DECISION

Dispute Codes CNC, MT

Introduction

This hearing dealt with the tenants' application pursuant to the *Residential Tenancy Act* ("the *Act*") for:

- more time to make an application to cancel the landlord's One Month Notice to End Tenancy for Cause (the One Month Notice) pursuant to section 66; and
- cancellation of the landlord's One Month Notice pursuant to section 47.

The tenants did not attend this hearing, although I waited until 9:41 a.m. in order to enable the tenant to connect with this teleconference hearing scheduled for 9:30 a.m. The landlord attended the hearing and was given a full opportunity to be heard, to present sworn testimony, to make submissions and to call witnesses.

At the outset of the hearing the landlord testified that the tenants have moved out of the rental unit and that she now has possession of the rental unit.

Analysis

Rules 7.1 and 7.3 of the Rules of Procedure provides as follows:

Commencement of the hearing - The hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

In the absence of any evidence or submissions from the applicants, I order the application dismissed without liberty to reapply.

Pursuant to section 55 of the *Act*, if I dismiss the tenants' application to cancel a notice to end tenancy, the landlord is entitled to an order of possession if the notice meets the requirements of section 52 of the *Act*.

Since the landlord testified that they do not require an order of possession, I do not issue an order of possession to the landlord.

Conclusion

I dismiss the tenants' Application, without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
