DECISION

Dispute Codes CNC FF

Introduction

This hearing dealt with the tenants' application pursuant to the *Residential Tenancy Act* (the *Act*) for cancellation of the landlord's 1 Month Notice to End Tenancy for Cause (the 1 Month Notice) pursuant to section 47; and authorization to recover the filing fee for this application from the landlord, pursuant to section 72 of the *Act*.

Both parties attended the hearing and were given a full opportunity to be heard, to present their sworn testimony, to call witnesses, and to make submissions.

At the beginning of the hearing both parties confirmed that the tenants were never issued any 1 Month Notice to End Tenancy, or any notices to end this tenancy as of the time of the hearing. Accordingly the tenants' application to cancel the 1 Month Notice is dismissed without leave to reapply.

The filing fee is a discretionary award issued by an Arbitrator usually after a hearing is held and the applicant is successful on the merits of the application. As I was not required to make a decision on the merits of this case, I find that the tenants are not entitled to recover the \$100.00 filing fee paid for this application. The tenants must bear the cost of this filing fee, and therefore the tenants' application is dismissed.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
