DECISION

Dispute Codes MNDC, O

Introduction

Pursuant to section 58 of the Residential Tenancy Act (the “Act”), I was designated to hear an application regarding the above-noted tenancy. The tenant applied for:

- A monetary order for damages and loss pursuant to section 67; and
- Unspecified other relief.

This matter was set for hearing by telephone conference call at 1:30 pm on March 5, 2018. The line remained open while the phone system was monitored for fifteen minutes and no participant called into the hearing during this time. The phone line was confirmed to be functioning properly. The Notice of Dispute Resolution Hearing was confirmed to provide the correct date and time of hearing with the phone number to call in and clear instructions to join the conference call.

Rule 7.3 of the Rules of Procedure provides as follows:

7.3 Consequences of not attending the hearing – If a party or their agent fails to attend the hearing, the arbitrator may conduct the dispute resolution hearing in the absence of that party, or dismiss the application with or without leave to reapply.

Accordingly, as neither the applicant nor the respondent attended the hearing by 1:45pm and **in the absence of any evidence or submissions I order the application dismissed without leave to reapply.** I make no findings on the merits of the matter. The issuance of this decision does not extend any applicable deadlines under the Act.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
