DECISION

Dispute Codes **CNC DRI ERP FFT MT RR**

This is an application brought by the tenant requesting an order canceling a Notice to End Tenancy that was given for cause, disputing a rent increase, requesting an emergency repair, requesting more time to apply for dispute resolution, applying to deduct cost of repairs from rent, and requesting recovery of the filing fee.

No hearing was held however because even though I waited until well past the time at which the hearing was to start, no one joined the conference call that was set up for the hearing and therefore, Pursuant to Section 62 of the Act, this application is dismissed, with leave to re-apply .

Section 55 of the Residential Tenancy Act states:

- 55** (1) If a tenant makes an application for dispute resolution to dispute a landlord's notice to end a tenancy, the director must grant to the landlord an order of possession of the rental unit if
- (a) the landlord's notice to end tenancy complies with section 52 *[form and content of notice to end tenancy]*, and
 - (b) the director, during the dispute resolution proceeding, dismisses the tenant's application or upholds the landlord's notice.

In this case however no one has provided a copy of the Notice to End Tenancy and therefore I have no way of knowing whether it complies with section 52 of the Residential Tenancy Act.

Conclusion

I have dismissed this application with leave to re-apply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
