DECISION

Dispute Codes CNQ ERP FFT

Introduction

This hearing was scheduled to convene at 11:00 a.m. this date by way of conference call concerning an application made by the tenant seeking an order cancelling a notice to end the tenancy for failure to qualify for subsidized housing; for an order that the landlord make emergency repairs for health or safety reasons; and to recover the filing fee from the landlord for the cost of the application.

The tenant attended the hearing and withdrew the application in its entirety. No one for the landlord attended the hearing, and the tenant advised that the landlord has not been served with the Hearing Package.

I have made no findings of fact or law with respect to the merits of this matter.

Conclusion

The tenant's application is withdrawn in its entirety.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
