## **DECISION**

Dispute Codes      CNR, FFT, MNDCT

### Introduction

This decision pertains to the Tenant's application for dispute resolution made on May 9, 2018, under the *Residential Tenancy Act* (the "Act"). The Tenant sought to cancel a 10 Day Notice to End Tenancy, a monetary order for compensation from the Landlord, and recovery of the filing fee.

### Issues to be Decided

1. Is the Tenant entitled to a cancellation of a 10 Day Notice to End Tenancy?
2. Is the Tenant entitled to a monetary order for compensation from the Landlord?
3. Is the Tenant entitled to recovery of the filing fee?

### Background and Evidence

The dispute resolution hearing was scheduled for a teleconference hearing on this date.

Rule 7.1 of the *Rules of Procedure*, under the Act, requires that a hearing start at the scheduled time unless otherwise set by the arbitrator.

Rule 7.3 permits an arbitrator to conduct a hearing in the absence of any party, and may decide or dismiss the application, with or without leave to re-apply.

A hearing regarding the application was scheduled to commence at 9:30 a.m. on June 19, 2018. I dialed into the teleconference at 9:30 a.m. and monitored the teleconference line until 9:40 a.m. Neither the Tenant nor the Landlord dialed into the teleconference hearing during this time. I confirmed that the correct call-in numbers and participant codes

had been provided in the Notice of Dispute Resolution Proceeding. The Internet monitoring system indicated that I was the only person in attendance.

Analysis

I find that the application has been abandoned.

Conclusion

I dismiss the Tenant's application, with leave to reapply. However, this does not extend any applicable time limits under the legislation. I have not made any findings of fact or law with respect to the application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the Act.
