## DECISION

Dispute Codes      OPRM-DR, FFL

### Introduction and Analysis

This hearing dealt with an Application for Dispute Resolution (“application”) by the landlord under the *Residential Tenancy Act* (“Act”) for an order of possession for unpaid rent or utilities, for money owed for unpaid rent or utilities, and to recover the cost of the filing fee.

Neither party attended at the appointed time set for the hearing, although I waited eleven minutes to enable them to participate in this hearing scheduled for Friday, June 15, 2018 at 11:00 a.m. Pacific Time. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that I was the only person who had called into this teleconference. Following the ten minute waiting period, the landlord’s application was **dismissed with leave to reapply**.

### Conclusion

The landlord’s application is dismissed with leave to reapply. Given the above, I have not considered the merits of the landlord’s application.

I note this decision does not extend any applicable time limits under the Act.

This decision will be emailed to the landlord at the email address provided in their application and will be sent by regular mail to the tenant as an email address was not available for the tenant in the application.

This decision is final and binding on the parties, except as otherwise provided under the Act, and is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
